BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BOULDER, COLORADO

Section 1. A municipal coordinated election will be held in the City of Boulder, County of Boulder and State of Colorado, on Tuesday, November 3, 2020.

Section 2. At that election, a question shall be submitted to the electors of the City of Boulder that will allow voters to consider the following amendment to Sections 3, 4, 5, 8, 14, and 15 of the City Charter to amend the charter to provide for the direct election of the mayor by ranked choice voting, and to set the term of office and term limits for the mayor. The material to be added to the Charter is shown by double underlining and material to be deleted is shown stricken through with solid lines.

Section 3. Article II, shall be amended to read as follows:

Sec. 3. - Legislative officers-the council.

The legislative officers of the city shall consist of the mayor and nine eight council members elected from the city at large, each having an equal vote, and collectively called the council.
Sec. 4. - Qualifications of council members and the mayor.

No person shall be eligible to office as council member or mayor unless, at the time of the election, such person is a qualified elector as defined by the laws of the State of Colorado, at least twenty-one years of age, and shall have resided in the City of Boulder for one year immediately prior thereto.

No person shall be eligible to the office of a council member if such person has previously been elected to three or more terms of office. No person shall be eligible to the office of mayor if such person has previously served eight years as mayor, or if such person has previously served three terms as a council member and four years as mayor.

Sec. 5. - Terms of office-election-recall.

The terms of office for council members shall be four years and two years as hereinafter, provided: beginning with the 2023 regular municipal election, when the mayor shall first be elected pursuant to section 14 of this charter, the four candidates receiving the highest number of votes shall be elected for four-year terms, and the candidate receiving the fifth highest number of votes shall be elected for a two-year term.

The term of office for the mayor shall be two years.

If there shall be vacancies to be filled at a general municipal election, other than those occurring due to the expiration of a regular term, the vacancy term shall be for two years, and additional council members or a mayor shall be elected until there shall be a council of nine eight council members and a mayor.

In the event that a council member whose term is not ending the November of the election wins election to the office of mayor in the regular municipal election, then the council candidate receiving the fifth highest number of votes in that same election shall complete that council member’s term.

A person may not seek to be elected to both a council position and the position of mayor in the same election, nor hold the office of mayor and that of a council member at the same time.

The terms of all council members and the mayor shall begin at 10:00 a.m. on the third Tuesday in November following their respective elections. In the event that one or more of the prevailing candidates is not determined by such time because the vote count is incomplete or inconclusive, or a recount is required, the terms for such council member(s) shall not begin until the business day following the final determination of the election results for that candidate. All council members and the mayor shall be subject to recall as provided by this charter.

Sec. 7. - Compensation.
Council members and the mayor shall receive as compensation $100.00 per meeting at which a quorum of city council is present, not to exceed fifty-two meetings per calendar year, plus an annual escalation each January 1 in a percentage equivalent to any increase over the past year in the Consumer Price Index (All Items) for the statistical area which includes the city maintained by the United States Department of Labor, Bureau of Labor Statistics; this amendment shall become effective January 1, 1990. For purposes of this section only, a “meeting” shall mean a gathering of a quorum of the council, which gathering is noticed to the public as a regular or special meeting as provided in this Charter. Council members serving on January 1, 2020 and after may elect to receive benefits under the same terms and conditions that are available to full-time city employees including without limitation participation in city health, vision, dental, and life insurance plans.

Sec. 8. - Vacancies.

A vacancy shall exist in the council whenever a duly elected mayor or council member fails to qualify within ten days after notice of the election, dies, resigns, removes from the city, is absent from five consecutive regular meetings of the council unless formally excused therefrom, is convicted of a felony while in office, or is judicially declared incompetent a lunatic; or, in case of a recall, no successor is elected, or if elected, fails to qualify.

If a vacancy occurs, or two council vacancies or one council vacancy and a mayoral vacancy come to exist at the same time, other than those occurring due to the expiration of regular terms, then:

(a) If the vacancy or vacancies occur in a calendar year before August 1, then the election shall be held in November of that calendar year. Otherwise it will be held at the November election of the next calendar year.

(b) However, an election to fill a vacancy may be held on a date earlier than those noted above if another city election is scheduled for the earlier date and if council determines, based upon the certification of the designated election official, that it is feasible to schedule the election on that earlier date.

If three or more council and/or mayoral vacancies come to exist at the same time, other than those occurring due to the expiration of regular terms, then a special election shall be held on a Tuesday within ninety days of the date on which a total of three or more vacancies first exists, or as soon thereafter as is feasible as determined by the city manager.

If more than four council and/or mayoral vacancies exist, prior to the special election to fill those vacancies a quorum of the council shall be comprised of a majority of all of the remaining council members.

The nomination of candidates to be voted for at any election made necessary by operation of this provision, the publication of notice, and the conduct of the same shall all be in conformity with the provisions of this charter relating to elections, but the council may, in the motion calling for the election, adjust the times for checking petitions, correcting or replacing signatures,
completion and filing of petitions, withdrawal from nomination, and certification of filing of the
list of candidates, as may reasonably be required to accommodate the date set for the election.

If a vacancy exists in the office of mayor, the mayor pro tem shall serve as acting mayor
until a new mayor is elected and takes office pursuant to this section.

Sec. 14. - Selection and term of office of mayor.

If three or more candidates run for the office of mayor, then the election shall be
conducted by ranked choice (instant runoff) voting. The presiding officer of the council shall be
called mayor. The mayor shall be chosen by the council from its own number, upon the
convening of the new council, following each general municipal election. The mayor shall serve
as mayor for a term of two years, and until a successor is duly chosen and qualified. The mayor
may be removed from the office of mayor (but not from the office of council member) by a two-
thirds vote of all members of the council, and thereupon, or in case of vacancy from any other
cause, the council shall choose a successor for the unexpired term.

Sec. 15. - Powers and duties of mayor.

The mayor shall have all the powers, rights, and privileges of a council member. The
mayor shall preside at meetings of the council and perform such other duties consistent with the
office as may be imposed by this charter or by the council. The mayor shall have no power of
veto. The mayor shall be recognized as the official head of the city for all ceremonial purposes,
by the courts for serving civil processes, and by the governor for military purposes. In time of
emergency, the mayor shall, if the council so orders, take command of the police and maintain
and enforce the laws, temporarily superseding the city manager in police affairs. The mayor shall
be ex officio a member of all council committees. During the mayor's absence or disability, the
mayor's duties shall be performed by the mayor pro tem an acting mayor, appointed by the
Council from its own number.

Section 4. The official ballot shall contain the following ballot title, which shall also be
the designation and submission clause for the measure:

Section 5. If this ballot measure is approved by the voters, the Charter shall be so amended, and the City Council may adopt any necessary amendments to the Boulder Revised Code to implement this change.
